National Convention safety measures in place

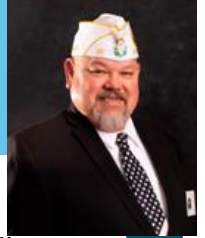

The American Legion is excited that the 102nd National Convention in Phoenix is scheduled to occur Aug. 27-Sept. 2 with COVID-19 safety measures in place to adhere to local and state guidelines. While we are looking forward to gathering again as an American Legion Family, it is important to follow the safety protocols implemented below as the pandemic is still ongoing.

"Let's continue to put safety first at our national convention in Phoenix and follow state and local guidelines – no matter where you are from – to represent the American Legion Family as a major solution during the pandemic as we have been for the last year and a half," said American Legion National Commander James W. "Bill" Oxford.

COMMANDER'S CORNER

JIM STEWART

On May 1st, Nevada has allowed fewer restrictions throughout the State. In most counties, the capacity restriction has been lifted to 100% occupancy. There are only a couple of counties (Clark and Esmeralda) with occupancy limits. Additionally, most counties, except four (Clark, Carson City, Lyon, & Washoe), do not have any social distancing restrictions. However, the State is still requiring the wearing of face masks. What does this mean for us? This means we can reopen most of our Post homes for normal meetings, activities, and events! While we still need to keep in mind to wear our face masks, keep our properties clean and sanitized, and have those that have recently contracted Covid-19 or those that are not feeling well to stay home, we can get back to normal operations. We also need to encourage everyone to get immunized. Herd immunity will get us out of this dark time.

We are still accepting applicants for the virtual Nevada Boys State program for this June 18th to June 25th in conjunction with the California Boys State virtual program. If you know any eligible boys, please contact the Department of Nevada Headquarters or check out the Nevada Boys State website: <https://nevadaboysstate.org/home/> Let's give our Nevada boys an opportunity of a lifetime this summer!

Last month, it had looked like we needed to cancel this year's Legion Baseball season. However, someone has stepped up for the Department and is working out a Legion Baseball season for us this year! Thank you so much Jesse Reynosa from Post 60 for your efforts to see that our youth have a great summer!

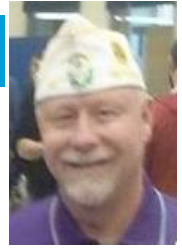

On June 26-27, Reed-Gregory Post 7 and W.W. Manning Post 32 are hosting the 102nd Department of Nevada Convention at Stockman's Casino and Hotel in Elko, Nevada. If you haven't already done so, get your registration submitted and make your hotel reservations. This year, I have invited a very special Guest of Honor to our Department Convention. COL (ARNG) Retired, Donald "Doc" Ballard, Congressional Medal of Honor Recipient, Vietnam Era, will be my Guest Speaker at my Commander's Banquet on Saturday. Doc is an excellent speaker and has some crazy stories to tell. He is very approachable and a pistol to talk to. You should plan on coming to the convention just to meet COL Ballard!

We are almost out of the shutdown with a light at the end of the tunnel. I commend each and every one of you for your endurance and understanding. Veterans are very strong and know how to take care of their family. I am proud to be a member of this community!

Always in Service,
Jim Stewart
Commander

May is Military Appreciation Month

Congress designated May as National Military Appreciation Month in 1999 to encourage U.S. citizens to observe the month in a symbol of unity. It is meant to honor the current and former members of the U.S. Armed Forces, including those who have died in the pursuit of freedom. It is a special month for both those in and out of the military.

The president will make a proclamation, reminding Americans of the important roles the US Armed Forces have played in the history and development of our country. The month of May was chosen because it already has many individual days set aside to recognize the U.S. military's achievements.

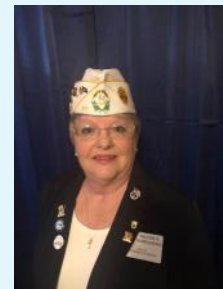

Below are six of the many observances and events that are associated with National Military Appreciation month:

- Loyalty Day**, May 1st which kicks off the month-long celebration of military appreciation. It is a day set aside for the reaffirmation of loyalty to the United States and to reflect on the proud heritage of our American Freedom
- Public Service Recognition week** which is celebrated the first full week in May. It is a time to honor the men and women who serve our nation as federal, state, county and local government employees and ensure that our government is the best in the world.
- Victory in Europe Day**, May 8. This was back when on May 8, 1945 the Germans throughout Europe unconditionally surrendered to the Allies. This day marked the end of World War II in Europe.
- Military Spouse Appreciation Day**, traditionally set for the Friday before Mother's Day. This day recognizes the important role our military families play in keeping our Armed Forces strong and our country safe.
- Armed Forces Day**, which is celebrated the third Saturday in May every year. A single holiday for citizens to come together and thank our military members for their patriotic service in support of our country. This day honors all military branches.
- Memorial Day**, observed on the last Monday of the month. Memorial Day honors those select veterans who paid the ultimate sacrifice in their service to our country.

It has been a difficult year for many for the challenges that as Posts, individuals and a country try to move forward away from the restrictions imposed during the Pandemic. If you are not yet up running, please try to show your appreciation in ways that will continue to allow for the safety of your posts and its members. Remember there are always alternative ways to show your support i.e., flying the flag, sending out cards or simply thanking a member of the armed forces.

2nd Vice Commander, Valerie Scheuering

Hello My Fellow Legionnaires

VA expands Post 9/11 GI Bill benefits for dependents

Wow! I know I am going to give you quite a few on-line websites to go to for information, and exerts of the article dated April 28, 2021 from Vantage Point, I would like you to have **ALL** the information that I can provide involving the Post 9/11 GI Bill. The article addresses the expanded Post 9/11 GI Bill benefits to dependents. For many the opportunities to pursue education and training beyond high school is not easily able to be reached. When military members are asked why they serve, the available GI Bill education benefits are often the reason. As part of their earned benefits, active duty men and women can also transfer all or part of their Post 9/11 GI Bill benefits to their spouse and/or their dependent children. This is called Transfer of Entitlement (TOE), you can find out more by visiting (va.gov/education/transfer-post-9-11-gi-bill-benefits/). Those wishing to transfer entitlement to a dependent must be sure to do this while still on active duty.

With the recent passing of the *Johnny Isakson and David P. Roe Veterans Health Care and Benefits Improvement Act of 2020*, commonly referred to as Isakson and Roe, beginning January 6, 2021, service members can transfer all or part of their Post 9/11 GI Bill entitlement to their ward or foster child. This new law changes how VA administers education benefits, and more importantly, is a major step in recognizing the diversity of the Nation's military families and their unique needs. Now, even more military dependents can receive help paying for tuition, books and housing using Post 9/11 GI Bill education benefits (va.gov/education/about-gi-bill-benefits/). Eligible dependents, who are pursuing a degree or certification in the STEM (Science, Technology, Engineering and Math) fields, can maximize their benefits through the Edith Nourse Rogers STEM Scholarship (va.gov/education/other-va-education-benefits/stem-scholarship/). To help pay for higher out-of-state, private or graduate tuition that the Post 9/11 GI Bill doesn't cover, the Yellow Ribbon Program (va.gov/education/about-gi-bill-benefits/post-9-11/yellow-ribbon-program/) provides additional assistance. In addition to education and training, GI Bill benefits can provide other assistance to eligible students, such as help with paying certain test fees and help with deciding on the right school or program, using the GI Bill Comparison Tool.

To get more information on the additional websites you can visit, go to the Vantage Point Official Blog of the U.S. Department of Veterans Affairs, and read the complete article dated April 28, 2021.

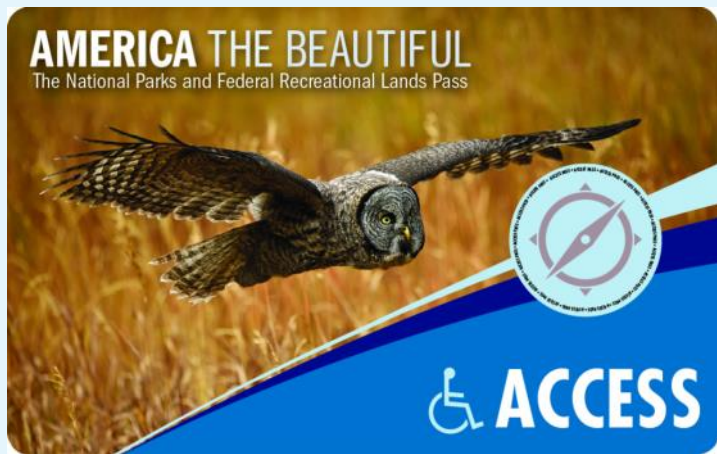

Celebrating our military and their families is a highlight of the Spring and Summer months. It allows us to understand the uniqueness of military families. The VA will continue to do its part to acknowledge the differences that make them unique, while ensuring that their unique needs are also met.

As always stay healthy and safe, enjoy the warmer weather. God Bless The American Legion and our Great Nation.

National Park Access Pass

National Park Access Pass

The Access Pass, part of the America the Beautiful – National Parks and Federal Recreational Lands Pass Series, is available free for US citizens or permanent residents with permanent disabilities. Applicants must provide documentation of permanent disability and residency or citizenship. The pass may be obtained in person at a federal recreation site or through the mail using an application form. (Note: While the pass itself is free, the cost of obtaining an Access Pass through the mail is \$10 for processing the application.) Read more about the Access Pass, and other passes, below. Please note that passes are not available at all national parks; see a [list of all federal recreation sites \(PDF\)](#), including national parks, where the passes are issued.

U.S. citizens or permanent residents of the United States that have been medically determined to have a permanent disability (does not have to be a 100% disability) may get a free, lifetime pass that provides admittance to more than 2,000 recreation sites managed by five Federal agencies, including Lake Mead National Recreation Area. [Access Passes are available online.](#)

Required documentation: A copy of ID issued by an authorized U.S. agency such as your driver's license, passport or state-issued ID and documentation that proves permanent disability such as:

- Statement by a licensed physician (Statement must include: that the individual has a PERMANENT disability, that it limits one or more aspects of their daily life, and the nature of those limitations.)
-
- Document issued by Federal agency such as the Veteran's Administration, Social Security Disability Income or Supplemental Security Income
-
- Document issued by a state agency such as a vocational rehabilitation agency

A CHANGE IS MADE

As the American Legion Riders are near and dear to my heart, I thought it might be nice to reflect on the changes made to the National guidelines for the American Legion Riders. These guidelines were generated and brought before the National Executive Committee at their virtual meeting conducted 5-6 May 2021.

As a little history, the American Legion Riders was established as a post level activity in 1993 by the Department of Michigan. The first chapter was at Post 396 in Garden City. It became a national program in 2007 via Resolution 35. Resolution 32 in 2011 amended Resolution 35. In 2020 another resolution – Resolution 19 – was generated as an “updated Program Guideline. Although not highly publicized, Resolution 19 created waves throughout the ranks of American Legion Riders throughout the states. As a result of the contentiousness of resolution 19, the National Organization did a relook at Resolution 19 and at the NEC virtual meeting on 5-6 May 2021 replaced it with Resolution B.

In an attempt for brevity, only the “Resolved” portion of the resolution will be provided in total below. Although the resolution brings clarity to the guidelines, there will be further questions as the various chapters work to bring their organizations in to compliance with the new guidelines. In the mean time here is what the chapters will be utilizing to organize and continue their mission.

RESOLVED, By The National Executive Committee of The American Legion in regular meeting assembled virtually on May 5-6, 2021, That all American Legion Riders (ALR) groups be organized as programs supported by a post, department or other duly constituted department governing body of The American Legion and shall uphold the declared principles of The American Legion as well as conform to, and abide by, the lawful regulations and decisions of their department, post and/or other duly constituted department governing body; and, be it further

RESOLVED, That because The American Legion owns, controls, protects and defends The American Legion's intellectual property, composed of trademarks, emblems and copyrights (Emblem or Emblems), the following guidelines are required to fulfill protective standards:

- 1. All members of the ALR shall be current members of The American Legion, Sons of The American Legion or American Legion Auxiliary.**
- 2. Each ALR member shall establish and maintain ALR membership by owning, individually or through marriage, a common-law marriage, a life partnership or a long-term relationship, a motorcycle licensed and insured as required by the ALR member's state laws.**
- 3. ALR programs may allow for continued ALR membership for those ALR members who have given up motorcycle ownership because of age, illness, injury or other reasons outside the ALR member's control.**
- 4. ALR programs may allow current members of The American Legion family to join ALR chapters as supporting members.**
- 5. The only approved titles for ALR officers shall be chairman and vice-chairman or director and assistant director.**
- 6. All ALR members shall maintain the image of The American Legion, protect The American Legion's Emblems, which symbolizes the integrity and principles of The American Legion and if wearing Emblem items then the Emblem items will be American Legion authorized emblems.**
- 7. ALR members' vests should display the integrity, principles and values of The American Legion and the ALR by avoiding patches or pins with (1) explicit or offensive language and/or images and (2) political or partisan language and/or images since The American Legion is a non-partisan organization.**
- 8. The ALR chapter should strive to represent the virtues, values, ethics and morals of The American Legion in support of freedom, democracy and the safety of our citizens. (cont. page 17)**

Membership

By Brenda Horton, Department Membership Chairman

Greetings fellow Legionnaires, the year is winding down but we still have time to get Post members to renew and to recruit new members. The Department is at 83% membership. District 3 is the only District with 100% membership at this time. Kudos to the Posts that have achieved 100% membership. At this time I do not have the statistics for each Post due to the issues with the new site. I appreciate all of the hard work each District and Post has put into membership. It takes all of us to succeed.

Now is the time to go through the Awards Points Manual to see which awards the Districts/Posts may receive. The forms are in the manual or online to download. If you do not have this manual, please email your District Commanders.

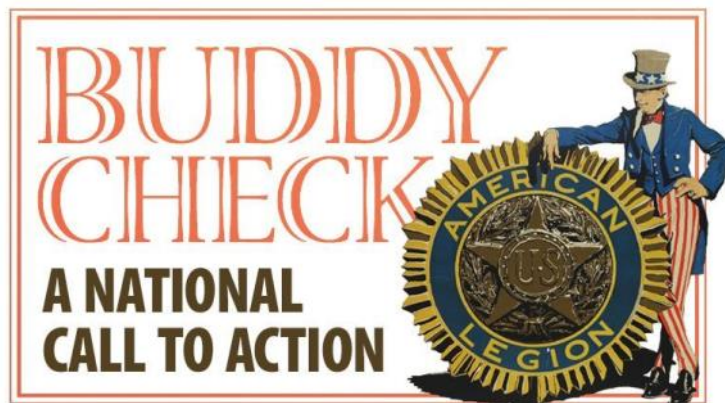

The following awards are:

- Districts Commander Race to the Top
- Special Individual Recognition/Achievement Awards
- Post Honor Ribbon
- Post All-Time High Award
- Five Consecutive Years All-Time High Award
- Recruiter of the Year
- District Commander Achievement Award and District Honor Ribbon
- District Commander Race-to-the-Top Award
- District Commander New Post Achievement Award
- 100% District Commander Pin
- Post Membership Retention Award

These forms need to be turned in by the May target date.

If you have any questions, please feel free to contact me.

Dear TAL Department of Nevada Members,

We wanted to provide an update to you all about Nevada Girls State:

TAKING INTO ACCOUNT A NUMBER OF FACTS, WE HAVE DECIDED TO CONDUCT THE 2021 SESSION OF NEVADA GIRLS STATE VIRTUALLY.

As this is the case, the total cost per delegate will be \$250.

We understand that the \$250 may seem like quite a bit. For that cost, we will be doing two major things.

Each participant will receive a package of goodies that they would normally receive during the session, such as a t-shirt, stickers, flags, and a poppy-making kit.

Most importantly, each participant will receive a \$25 daily meal allowance (\$125 total) and the ability to order food each day for delivery via DoorDash. We feel that this is very important because we understand that we do have delegates who are food insecure and, for the week of their participation, we can ensure that they have at least one good meal each day.

Of course, we would also like to provide you with some information on how we came to this decision. The following items contributed, though this is not an exhaustive list:

Delay in camp contracting. In normal years, we contract with the camp in November or December. Due to the ongoing challenges posed by COVID-19, UNR was unable to truly begin the contracting process until about late April.

Insurance. We have learned that neither our current insurance provider nor any other offers coverage for infectious diseases. Without such coverage during a pandemic, we could potentially be open to significant liability.

Buses. With the need to maintain social distancing, we would have needed to contract a third bus, significantly increasing our costs.

Low registration. Due to the varied nature of school attendance this year and the unique challenges that presented for reaching students, we are experiencing lower-than-expected registrations. In order to use the camp per contractual requirements, we must pay for a minimum of 50 overnight guests. Additionally, in order for the program experience itself to work effectively, we must have at least 50 delegates.

As always, we still need your assistance to reach out to schools and provide them with information. If there are students who would like to attend but are faced with a technological barrier (such as not having a computer), we can provide options for them.

We're happy to answer any questions you might have. Feel free to call or email any time.

Sincerely,

Courtenay & Daela

Hello All,

What a crazy year!

Please take the time to encourage your Sons of the American Legion members to serve in higher positions. We have several positions at the Squadron Level that need to be filled.

This month there so many to remember as Armed Forces Day and Memorial Day are times we honor those serving and those that gave the ultimate sacrifice.

Please take time to honor and remember

9. Per NEC Resolution No. 37, May 4-5, 1988 ALR chapters do not have the authority to enter into any formal association or club/council membership with any outside organization that may act or vote in any manner outside the control of The American Legion.

10. All ALR members shall obey the laws of their respective state and/or the state(s) in which they ride.

11. The ALR chapter's sponsoring organization (post, district and/or department) are strongly urged to review liability insurance coverage to ensure that adequate insurance coverage is available to insure/cover the sponsoring organization, including insurance coverage for any specific special riding event; and, be it further

RESOLVED, That American Legion Riders programs shall abide by the American Legion National Constitution and National By-laws as well as their established post, district and department directives; and, be it further

RESOLVED, That American Legion National Headquarters and the respective departments shall maintain general oversight of the American Legion Riders program in regard to proper use of the Emblems of The American Legion, the American Legion Riders and the American Legion Legacy Run and to ensure compliance with the American Legion National Constitution and National By-Laws; and, be it finally

RESOLVED, That Resolution No. 19 (NEC, Oct. 2020), Subject: "Updated Program Guidelines for the American Legion Riders (ALR) National Program" is hereby superseded and rescinded.

The mission of Nevada's Legionnaires is to provide services to fellow Veterans, their Families and their communities.

Since our charter, our American Legion Department of Nevada has been welcoming VETERANS from all branches of our Armed Forces. Today, we continue to welcome all military personnel serving our country. Joining a Post in our State enables you to continue serving your God, Country and Community. Our mission is to implement the goals, aspirations, dreams, peace and blessings for our country, friends and families embodied in our preamble.

DO YOU WEAR RED ON FRIDAYS? IF YOU ANSWER THIS QUESTION YOU WILL BE ENTERED IN A DRAWING FOR AN EMBLEM SALES GIFT CARD. PLEASE EMAIL YOUR RESPONSE TO: WEIGOLDY63@GMAIL.COM NLT 31 MAY 2021

RED Friday Started in 2005. Beginning in 2005, military supporters across America started wearing **red** on **Fridays** to show support for the service members who protect our freedoms and way of life around the world. More specifically, it is for service members deployed as **RED** stands for "Remember Everyone Deployed".
