COMMANDER'S CORNER

JIM STEWART

November is a very special month for all veterans of our great country. It is a time for us to reflect upon our service. While the Governor did not allow any of the Veterans Day Parades to take place across the state, veterans and supporters all over the state still held their own celebrations in different ways. Fortunately, in lieu of the parades, the Nevada Department of Veterans Services produced a Veterans Day video and can be seen at this link: <https://veterans.nv.gov/veterans-day-2020/> You will hear from the NDVS Director, the Governor, the South Korean Consulate General, the Adjutant General of the National Guard, the commanders of several veteran service organizations, and some veterans. It is a great video and worth the time to watch.

Our National Commander Bill Oxford made his second official visit to our Department for our Department Executive Committee meeting in Carson City, sponsored by High Desert Post 56. The National Commander toured the State Railroad Museum as well as the Nevada State Museum and US Mint in Carson City.

During the DEC meeting, Amy Garland, the Deputy Director of Support at the Nevada Department of Veterans Services was our Guest Speaker. Additionally, the National Commander recognized the Department of Nevada for achieving 92% submission rate of Consolidated Post Reports for last year.

With the holiday season now upon us, I want to wish each and every one of you a happy and safe holidays.

Always in Service, Jim Stewart

1st Vice Commander Richard Eberly

My Fellow Legionnaires Each month I give information about the VA, however this month we celebrate Veterans Day and Thanksgiving. I'm reminded that throughout the year we remember our Military and Veterans on Armed Forces Day, Independence Day, Patriots Day and Pearl Harbor Day.

With Thanksgiving quickly approaching, I'm sure we are thinking about being with our families and about those who can't because of great distances and Covid.

The American Legion has instilled in us that "We are Family" and as such we should be there for each other. There are services conducted at the Northern and Southern Veterans Cemeteries each month for fallen soldiers who do not have family close enough or living to be there for them during these services. These services are called "Unaccompanied" which says it all. I ask you to consider attending one, if not all of these services at your local Veterans Cemetery. I have seen for myself first hand, that the Legion members who have attended these services the only the only family in attendance. I am providing the location, dates and times so that you/we can pay our respects and be there for them.

Title

Well, It finally happened. Despite COVID-19, mandates by the governor, restrictions within establishments, and the unknowns of going out in public we finally managed to have our Department Executive Committee (DEC) meeting. Although the gathering was small it was a fun and enjoyable event. And more interesting, it was an event full of significant firsts. For example, this was the first time in the history of The American Legion we had a two-term National Commander. and who attended back-to-back DEC meetings. And as NEC Ron Michalski noted, from now forward the Convention year will be the same as the Legion's Historical year. So, the upcoming convention in Phoenix will be the 102nd Convention in the 102nd year of the Legion. Sometime in the future and I don't have anything to do I will try to document all the first that transpired over the last few months. If you have any thoughts on this send them one to me.

As I noted above, the DEC was an enjoyable event. The attendance was small, but that was understandable as there are a lot of folks that just didn't want to take chances with the virus so stayed home. However, for those attending it was not an issue as the room was set up for social distancing and there were plenty of masks of every variety imaginable. Coffee and donuts were available for those that got there early. Thumbs up to Post 56 for the excellent job in preparing for the meeting.

The meeting moved very rapidly with the normal reports. It should be noted that the Posts were not just staying at home as many were working to support the citizens of their communities. From the reports it was very evident that the Legion does not stop just because of a pandemic. A nice touch was the awards presented to the Posts for their effort during the past year. Normally presented at the Department Convention, this year due to its cancellation, the awards were presented at the DEC with the National Commander participating. The only negative was not having Post commanders there to accept their awards. In almost every case, the District Commanders had the honor of accepting for the Post.

The evening dinner was at the Gold Dust West was excellent. Food was outstanding. Again, because of the virus everything was limited. The only exception was the meal provided. Most were hard pressed to clean their plates. The meal was hosted by Post 56 and the Convention Corporation of Nevada. A high five to them was making it a wonderful evening. Tables were set for four; and size of the crowd limited to 25. For a first there was no head table. The National Commander did address the group and as always Commander Stewart did not let the Commander leave without a small memento from Nevada.

In closing, the DEC will go down in the annals of History as unique. Those there will have stories to tell and fond memories of a good time. Hopefully, when we meet again in February the atmosphere will be better and the "New Normal", whatever that means will be in place. For those of you who can make it, come with the understanding that it will be a double header as both the Department Oratoricals and the DEC will be held at the same location.

Hospital Help Plan Overview

No matter what insurance you have, your share of a hospital bill can quickly add up to hundreds - or even thousands - of dollars.

Your American Legion Department Endorsed Hospital HELP Plan insurance pays cash benefits that will DOUBLE the longer your covered hospital stay.

The Hospital HELP plan starts accruing cash benefits on the first day of your covered hospital stay. That means:

- You can set up protection to give yourself (and your family) an extra stream of cash benefits...
- One that isn't tied to your medical insurance...
- Paying regardless of any other health plan...

Putting money back in your wallet if you were sick or hurt and ended up in the hospital.

That means **\$50.00 a day** paid from the first day you enter the hospital. Another \$50.00 on day two. Another \$50.00 on day three. \$50.00 each and every day for 14 full days.

Your cash benefits jump up to \$100.00 a day on day 15.

And they stay at that double-benefit \$100.00 level ... paying you \$100.00 day after day of your hospital stay... all the way through day 30.

It pays FOUR TIMES as much **\$200.00 a day**... starting on day 31. And those benefits do not go down. You stay at \$200.00 a day. Every single day of your hospital stay. All the way until day 365 if needed.

But what if you run into something really serious? Like cancer? Or a heart attack? Or a stay in the Intensive Care Unit? Medical bills can quickly escalate in those situations. Hospital HELP does, too.

Your cash benefit DOUBLES for each day you are hospitalized due to cancer or are confined in the cardiac care or intensive care unit. That means **\$100.00 a day** from day one. \$200.00 a day starting on day 15. \$400.00 a day from day 31.

These benefit payments are sent directly to you (unless you tell us otherwise).

Spend the money however you want. There will be no questions asked.

But maybe you're wondering what happens if you get your care in a VA hospital. Hospital HELP stands strong for VA care, too. You get **\$50.00 a day for days 1-14 and \$100 a day for days 15-30.** Even if your VA care costs you nothing at all.

NOTE: THIS IS NOT A MAJOR MEDICAL HEALTH INSURANCE POLICY. YOU SHOULD BE COVERED UNDER A MAJOR MEDICAL POLICY BEFORE PURCHASING SUPPLEMENTAL INSURANCE SUCH AS THIS OFFER.

Securian Life Insurance Company, the provider of this coverage, is not connected with or endorsed by any government agency, including the U.S. Military or Veteran's Administration (CMS).

American Legion Riders

Greetings Riders,

Two big dates in November that are special to me, Veterans Day and Thanksgiving. “Veterans Day” should be every day, but on November 11th we celebrate the service of all our veterans. I’m often thanked for my service, but I feel more thankful for having been able to serve. Thanksgiving, for me, has always been a time of fellowship and to be grateful for what we have... even when we didn’t have much.

I hope each of you had a great Veterans Day and enjoy the camaraderie of Thanksgiving.

The American Legion National Executive Committee, in their Fall Meeting, passed Resolution 19 which affects the ALR. You can read the resolution in it’s entirety here: https://www.legion.org/documents/legion/pdf/ALR_Resolution_19_2020.pdf

This resolution prompted much concern from Riders & Chapters across the country. These concerns are partly addressed in a talking points memorandum from the National Chairman of the Internal Affairs Commission and the National Chairman of the ALR Advisory Committee. From the memo: “Some of these concerns are valid, and they will be discussed and reviewed for a possible amendment recommendation to the National Executive Committee at the Spring 2021 Meeting.” This talking points memo is a three page document and too large to include in this article. As of this writing, I don’t have a link. But, if you wish to have a copy, email me & I’d be happy to forward it to you.

The ALR National Advisory Committee has redistributed the Regions. The new regional map is available here: <https://www.legion.org/documents/legion/pdf/Riders-Regions-Map-2020.pdf>

This will be my last newsletter article as your ALR Program Liaison. I’m stepping down. I’m thankful for the opportunity to have served you.

Ride Safe and Be Happy,

Trevor McCall

National Executive Committeeman Ron Michalski

From the DePozo and Michalski families we send our Thank You to All that sent condolence cards for Anne DePozo. On October 20th, Dan lost his wife and Nancy her youngest sister.

Happy Belated Veterans Day to All and a Very Happy Birthday to our Marines. On Veterans Day the Southern Nevada Veterans Home held a drive-by to honor our veterans and spouses residing there. *It went over very well as they have been confined now for over 230 days.*

We just finished our fall DEC meeting in Carson City and our special guests were our National commander James Bill Oxford and his aide Larry Cline. We took them to the State Museum and the Railroad Museum. They were very pleased with both and had very good comments. The commander stressed the Buddy checks during his speech and of course membership. On his departure he thanked all and was very appreciated on the way the meeting was held. A Special Thank You to Post 56 for hosting this event. Our next DEC will be in conjunction with the Department Oratorical and that is on February 20, 2021 at the Western Nevada College in Reno. We hope to see a lot more members in attendance.

Thank You All
For God and Country

The mission of Nevada's Legionnaires is to provide services to fellow Veterans, their Families and their communities.

Since our charter, our American Legion Department of Nevada has been welcoming VETERANS from all branches of our Armed Forces. Today, we continue to welcome all military personnel serving our country. Joining a Post in our State enables you to continue serving your God, Country and Community. Our mission is to implement the goals, aspirations, dreams, peace and blessings for our country, friends and families embodied in our preamble.

RED Friday Started in 2005. Beginning in 2005, military supporters across America started wearing **red** on **Fridays** to show support for the service members who protect our freedoms and way of life around the world. More specifically, it is for service members deployed as **RED** stands for "Remember Everyone Deployed".

The bottom section features three logos. On the left and right are identical logos with the text "ON* Fridays WE WEAR RED" in a stylized font. In the center is a circular logo with a star and the text "100 YEARS".
